

-INTRODUCING-

RAM BOARD EDGE TAPE

THE EASY RELEASE ANSWER YOU'VE BEEN WAITING FOR!

Edge Tape™ provides easy release from floors, yet it's tough enough to hold Ram Board® edges securely in place. **Edge Tape** is engineered to secure the edges of Ram Board directly to the floor without damaging your flooring surfaces, walls and stairs. Durable and tough, yet low tack for **easy release for up to 14 days**.

- Heavy-duty
- Ample 2.5" width for easy installation
- Clean removal
- Safety orange identifies edges of flooring
- Bonds tightly to Ram Board

SIZE: 2.5" X 180' (63.5mm x 55m) | 16 Rolls/Box | RBET 2.5-180

Ram Board®

With Wall Guard®

RB 38-100

Ram Board is a heavy-duty, temporary floor protection engineered for Contractors. Designed with cost and efficiency in mind; it lays out fast and is re-usable. Ram Board is non-staining and utilizes Flex-Fiber® technology allowing for the proper curing of new floors on jobsites. Exclusive Spill Guard® technology provides added protection against water, paint, mud, and more.

38" x 100' | 46 Mil Thick | 317 SQ.FT.
16 Rolls/Pallet

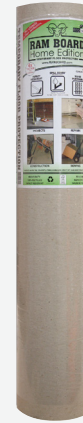

Ram Board Plus®

With Wall Guard®

RB 38-100

Introducing the latest innovation in the construction industry! The #1 choice of contractors for floor protection is now even easier to install. This innovative pre-taped feature will reduce your installation time up to 40% and still give you every feature and benefit of Ram Board that you have come to know and trust.

38" x 100' | 46 Mil Thick | 317 SQ.FT.
16 Rolls/Pallet

Home Edition®

With Wall Guard®

RBHE 36-50

Home Edition™ carries the same properties of Ram Board in a smaller (36"x50'), lighter roll. It is 15% thinner than our professional grade board but remains heavy-duty at 4x the thickness of rosin paper. It provides re-usable protection for contractors and DIY'ers with smaller projects.

36" x 50' | 36 Mil Thick | 150 SQ.FT.
9 Rolls/Box

Seam Tape™

RT 3-164

Seam Tape is engineered to withstand the rigors of the jobsite to hold the Ram Board seams together. The kraft backing makes it easy to tear off and install while it's 3" width gives ample allowance to cover Ram Board seams. 100% recyclability keeps your job site green.

Do not apply directly to floors.

3" x 164' | 6 Mil Thick | 100% Recyclable
16 Rolls/Box

Vapor-Cure® Tape

RBVCT 3-108

Ram Board's Vapor-Cure® Tape is engineered with our exclusive Vapor-Cure® technology. Once layed out, it allows vapors and moisture to escape preventing cure lines and blotchy, uneven finishes that occur in curing floors. When used with Ram Board, it provides the only complete Vapor-Cure® floor protection system on the market.

Do not apply directly to floors.

3" x 108' | 16 Rolls/Box

Trash Box™

RBTB 16-34

Help keep work environments clean and safe with Trash Box®, Ram Board's unique trash container for jobsites and events. Constructed out of 100% recycled materials, Trash Box is a green solution for jobsite trash. It fits 42-50 gallon trash bags and features quick, self-locking assembly, making it an ideal disposal solution on jobsites, at events, or for gardening use.

16.5"x16.5"x34" | 2.5 lbs. | 15 /Box

Project Mat®

RBPM 36-6

Contractors asked for a smaller portable Ram Board to carry on jobsites for various repairs and projects. We went to work to fulfill their request and are proud to introduce the Ram Board Project Mat. This latest addition to our line of products provides heavy-duty protection in a portable, easy-to-use mat. It's the perfect solution for both the professional contractor and DIY'er.

3' x 4'4" | 44 Mil Thick | 13 SQ.FT. | 20 Mats/Box

Ram Jamb® 36" & 60"

RBJP 60

Ram Board's Door Jamb Protection is heavy-duty, flexible, and re-usable. With no tape or adhesive necessary, Door Jamb Protectors install in seconds. Simply snap onto door jambs for quick protection from the rigors of the construction site. Don't let accidents cost you time & money.

36" or 60" | 65 Mil Thick | Fits 4"-9" Jambs
50 Units/Box

Pro Tape™

RBPT 2.5-180

Ram Board innovation takes duct tape to the next level! Pro Tape™ is engineered with a modified adhesive coating that utilizes our exclusive Scrim Fiber System™ designed to hold up better than anything on the jobsite. This multi-stage coating process creates a stronger bond between layers, which also provides cleaner removal during your projects.

Do not apply directly to floors.
