

# Bradgate Multi Cream

**Ibstock**  
At the heart of building

## Product Information

|                        |                                   |
|------------------------|-----------------------------------|
| Ibstock Code:          | 0030                              |
| Type:                  | Stock                             |
| Facing Description:    | Sandcreased                       |
| Dry Brick Weight (kg): | 2kg                               |
| Pack Quantity:         | 430                               |
| Packaging (standard):  | Banded (plastic) & Stretchwrapped |
| Factory:               | Leicester                         |

## Technical Specification (to BS EN 771-1)

|                                                                     |                  |
|---------------------------------------------------------------------|------------------|
| Brick Dimensions (L x W x H mm):                                    | 215x102x65       |
| Size Tolerances Mean & Range:                                       | T2 R1            |
| Configuration:                                                      | Single Frog      |
| Voids (%):                                                          | 8-13             |
| Compressive Strength (N/mm <sup>2</sup> ):                          | 15               |
| Active Soluble Salts:                                               | S2               |
| Water Absorption (% weight):                                        | 25               |
| Durability:                                                         | F2               |
| Gross Dry Density (Sound Insulation) (Kg/m <sup>3</sup> ):          | 1310             |
| Equivalent Thermal Conductivity "K" value 5% Exposed:               | Refer to Ibstock |
| Initial Rate of Absorption (Suction Rate) (Kg/m <sup>2</sup> /min): | Refer to Ibstock |
| EAN:                                                                | 5036335000410    |
